#### Independent Auditor's Report

To the Board of Directors Fourth Ward Waterworks Association, Inc. P.O. Box 623 Albany, Louisiana 70711

We have audited the accompanying financial statements of Fourth Ward Waterworks Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

## Fourth Ward Waterworks Association Inc. April 3, 2015

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fourth Ward Waterworks Association, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 17 through 21 is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

In accordance with Government Auditing Standards, we have also issued our report dated April 3, 2015, on our consideration of Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Fourth Ward Waterworks Association's internal control over financial reporting and compliance.

#### Notes to the Financial Statements For the Year Ended December 31, 2014

#### **Business Organization**

Fourth Ward Waterworks Association, Inc. (The Association) is a non-profit corporation of the State of Louisiana serving the water service needs of its members. The Association was incorporated in 1969, and is supported primarily by fees paid by members for water services. The service limits for the Association are within Livingston Parish from the village limits of Albany, bounded on the north by St. Helena Parish, on the east by Tangipahoa Parish and on the west by the Tickfaw River. The Association currently serves 1.339 members.

#### 1. Significant Accounting Policies

#### A. Basis of Presentation

The Association is required to report information regarding the financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

#### B. Basis Accounting

The financial statements of Fourth Ward Waterworks Association, Inc. have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized at the time liabilities are incurred.

#### C. Cash and Cash Equivalents

Cash includes amounts in demand deposits, time deposits and money market accounts. For purposes of the Statement of Cash Flows, the Association considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### D. Investments

The Association maintains investments in the Louisiana Asset Management Pool (LAMP), a non-profit corporation formed by an initiative of the State Treasurer and organized under the laws of Louisiana to operate as a local government investment pool. LAMP invests its assets only in securities and other obligations permissible under Louisiana law for local governments. Investments in LAMP are highly liquid and are considered to be cash equivalents. The Association also maintains an investment in a certificate of deposit with an initial maturity of more than 90 days.

#### E. Inventories

Inventories of water system supplies are stated at the lower of cost or market using the first-in, first-out (FIFO) method.

#### Notes to the Financial Statements For the Year Ended December 31, 2014

#### F. Prepaid Items

Payments made to vendors that will benefit periods beyond the end of the current calendar year are recorded as prepaid items. At December 31, 2014, the amount of prepaid insurance totaled \$12,159.

#### G. Property, Plant and Equipment

Property, plant, and equipment are stated at cost or fair value at date of donation. The Association has not adopted a formal capitalization policy. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Description	Estimated Lives
Buildings and Improvements	20 Years
Machinery and Equipment	5 - 7 Years
Water Systems	40 Years

Renewals or improvements which extend the useful lives of assets are capitalized at cost. Maintenance and repairs are included as expenses in the statement of activities.

### H. Compensated Absences

At December 31, 2014, the Association did not have employees that accumulate or vest benefits.

#### I. Income Taxes

The Association is exempt from Federal Income Taxes under Section 501 (C) (12) of the Internal Revenue Code. The Organization's Forms 990, Return of Organization Exempt From Income Tax, for the years ending 2014, 2013, 2012 and 2011 are subject to examination by the IRS, generally for 3 years after they were filed.

#### J. Use of Estimates

The preparation of financial statements in conformance with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Notes to the Financial Statements For the Year Ended December 31, 2014

#### K. Restricted Cash

Members' deposits are classified as restricted assets. Certain resources set aside for the repayment of the notes payable are classified as restricted assets because their use is limited by applicable bond covenants.

#### L. Concentration of Credit Risk

In the normal course of business, the Association extends unsecured credit to customers located in Livingston Parish in the State of Louisiana.

At December 31, 2014, the Association had deposits in excess of the FDIC insurance limit in the amount of \$83,728.

#### 2. Cash and Cash Equivalents

At December 31, 2014, the Association had cash and cash equivalents totaling \$526,686 (book balances) as follows:

Demand Deposits	\$	402,530
Money Market	_	124.156
Total Cash and Cash Equivalents	\$	526,686

#### 3. Investments

Investments held at December 31, 2014 consist of \$71,913 in the Louisiana Asset Management Pool (LAMP), a local government investment pool. LAMP is administered by the Louisiana Asset Management Pool, Inc., a non-profit corporation organized under the laws of the State of Louisiana. The primary objective of LAMP is to provide a safe environment for the placement of funds in short-term, high quality investments. The LAMP portfolio includes only securities and other obligations in which local governments in Louisiana are authorized to invest in accordance with LA-R.S. 33:2955.

At December 31, 2014 the Association's certificate of deposit was reported separate from cash because the original maturity was more than 90 days. The fair value of the certificate of deposit at December 31, 2014 was \$155,989.

#### Notes to the Financial Statements For the Year Ended December 31, 2014

#### 4. Inventories

At December 31, 2014, the Association had inventories consisting of the following:

Water System Supplies	\$ 16.146
Total	\$ 16,146

#### 5. Receivables

The following is a summary of receivables at December 31, 2014:

Accounts	\$	43.746
Accrued Billings		12.317
Allowance for Bad Debt		(3.883)
Net Accounts Receivable	\$]	52,180

All customer receivables are reported at gross value and reduced by the portion that is expected to be uncollectible. Uncollectible accounts are written off against accounts receivable, when determined by the manager to be uncollectible.

Estimated unbilled receivables are recognized at the end of each fiscal year on a pro-rata basis. The estimated amount is based on billing during the month following the close of the fiscal year. Estimated unbilled receivables at December 31, 2014 totaled \$12,317.

The maximum loss due to credit risk that Fourth Ward Waterworks would incur if all parties to the accounts receivable failed to perform according to the terms of their agreement would be \$52,180.

The Association does not require collateral from its customers. The Association requires a security deposit of \$75.

#### 6. Restricted Assets

At December 31, 2014, the Association had restricted assets as follows:

Debt Service Reserve Account	\$ 124,154

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance And Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Board of Directors Fourth Ward Waterworks Association, Inc. P.O. Box 623 Albany, Louisiana 70711

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Fourth Ward Waterworks Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 3, 2015.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, I considered Fourth Ward Waterworks Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Fourth Ward Waterworks Association, Inc.'s internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Current Year Findings and Responses, we identified certain deficiencies in internal control that we consider to be material weaknesses.

## Fourth Ward Waterworks Association, Inc. April 3, 2015

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying Schedule of Current Year Findings and Responses to be material weaknesses. See Finding 2014-1.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Fourth Ward Waterworks Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Fourth Ward Waterworks Association, Inc.'s response to the findings identified in our audit is described in the accompanying Schedule of Current Year Findings and Responses. Fourth Ward Waterworks Association, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

#### Purpose of this Report

The Purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### Schedule of Prior Year Audit Findings For the Year Ended December 31, 2014

## Section I Internal Control and Compliance Material to the Financial Statements

### 2013-1 Accountant Cannot Prepare Financial Statements

#### Condition:

The Association's job description does not require the Association's accountant to be able to prepare financial statements under generally accepted accounting principles.

#### Recommendation:

I recommend management review the cost benefit of hiring an accountant who has the technical skills to prepare the annual financial statements in conformity with accounting principles generally accepted in the United States of America.

#### Resolved:

See Finding 2014-1

### 2013-2 Cut Off Policy

#### Condition:

The Association's policy is to cut off delinquent accounts when the bill is two months old and over \$75. The Association continues to have delinquent accounts.

#### Recommendation:

I recommend management continue to comply with the Association's cut off policy. I also recommend the Association take aggressive action to collect delinquent amounts, including legal action when necessary or the use of a collection agency.

#### Resolved:
